LET YOUR ADVENTURE BEGIN

Nowhere on earth is the sea as captivating as it is here, lapping at the shores of Mövenpick Resort Kuredhivaru. The breathtaking waters of the Indian Ocean surrounding this pristine island offer endless opportunities to discover and explore a magnificent underwater world that lies beneath the glittering surface. This environment is rich in marine life, waiting for you to discover the underwater world.

Dive Butler Zen is the epicenter for a wide selection of water-based activities including remarkable Excursions, an incredible Marine Biology programme, adrenaline fueled Water Sports, dazzling Diving and private Boat Charters enabling you to enjoy the endless shades of blue surrounding Movenpick. The Dive Centre comprises a water focused Retail shop alongside GoPro rental, so that you may take your perfect aquatic holiday memories back home with you. Whether you prefer to stay above the waterline or plunge into the deep blue, we offer a range of facilities and excursions under a collective roof for your convenience.

Each and every one of our marine related pursuits has been verified and approved by our resident Marine Biologist, helping to ensure that we protect and preserve this fragile environment for years to come. What's more, our experienced Marine Biology team has crafted a series of tailored experiences allowing you to participate in a number of unique and rewarding conservation projects. Combining knowledge and understanding with a hands-on approach, these activities make way for a richer and more fulfilling experience

PERSONALISATION OF ACTIVITIES

All of our experiences, trips and activities can also be tailored for private excursions. Options for personalising every excursion are included beneath each experience summary.

At Dive Butler Zen, we aim to make the most extraordinary requests a reality - there's truly no limit to the type of excursion you can dream up. Let your mind run wild; if it's possible, we're committed to making it happen. Imagine, spending the day snorkelling, fishing, or sailing into the sunset with a glass of wine with your loved ones by the side – it's all possible.

Any of the excursions available can be combined to create your own personal experience, completely customised to suit your desires. Whatever you want, however you want, whenever you want: inquire at the Dive Centre to turn your dream into a bespoke experience and let us assist you with planning and choosing a boat.

VISITING HEROES

We regularly host visiting aquatic and marine “Heroes” that offer specialised courses workshops, discussions and activities in a variety of fields including diving, marine biology, water sports, free diving, photography, sustainability, and conservation. Our heroes are here to enhance your holiday, by creating special once in-a-lifetime experiences and memories that will last for years to come.

EXCURSIONS

Throughout your stay, the Dive Butler Zen team is on hand to offer scheduled excursions that allow you to sample the delights of the surrounding islands.

Choose the pace of your adventure; whether it's simply relaxing on a uninhabited island, snorkelling around stunning coral reefs, or immersing yourself in a Maldivian cruise.

Each excursion can be personalised in accordance with the comments below the experience summary. GoPro rentals are available to capture your unforgettable Maldivian experiences, whether on land or at sea.

SNORKELLING

All of the following scheduled experiences are conducted by one of our experienced snorkel guides. Each one of our guides has been handpicked for their in-depth knowledge on the underwater world and comes fully trained in first aid. Snorkelling equipment is provided on a complimentary basis, and you may keep hold of it for the duration of your stay.

Unguided snorkelling is permitted, however for your comfort and safety we recommend that you discuss your wishes with a member of our knowledgeable team for the best advice on where to enter the water, as well as potential risks such as boat traffic, currents and other important considerations. Be sure to bring your waterproof camera or rent a GoPro.

NIGHT SNORKELLING

This is the ultimate adrenaline kick for the serious snorkeller! As night falls on the reef, it takes on a whole new dimension, with a medley of unusual species of flora and fauna emerging. Small groups are led by a member of our team to ensure an amazing experience. Snorkel vests and torches are provided and must be used by all participants for safety, comfort and enjoyment.

DIVING

The Dive Butler team is delighted to welcome you to our state-of-the-art Dive and Watersports Center at Dive Butler Zen. Here, a combination of the latest technology trends and top end equipment meet to deliver an unforgettable aquatic adventure, all under the watchful eye of our highly qualified underwater experts.

Dive Butler Zen is a PADI 5-Star Dive Centre that offers a full range of scuba diving courses, from entry level right through to professional certifications. We have a passionate team of handpicked multilingual instructors that have lived and worked all over the world.

Dive Butler specialises in private - semi-private tuition, allowing any pre-dive anxiety to melt away in the hands of our patient, trustworthy instructors. Our instructors are committed to sharing their passion with others and delight in spreading the wonder and excitement of the underwater realm.

For certified divers, our small group philosophy elevates every dive to an extra special experience. We take pride in delivering seamless service and attention to detail in every single dive, and this is what makes the Dive Butler experience so unique.

CHECK-IN

Check-in for all scuba diving related activities may be completed between 08:30 and 18:00 daily.

Our multilingual team is available to assist with any questions that you might have, and is always happy to advise on all relevant procedures for signing up. To assist with check-in for certified divers, we kindly request that you bring your diving certification, logbook and any relevant diving medical with you. If you've forgotten your diving certification, and the qualification is held with either PADI, SSI or NAUI, we will be able to check your credentials online. If your certification is from another organization, we will either need to see photocopy of the card itself, or alternatively, a scanned copy of your license, or an email from the training organization's head office confirming your qualification. Please kindly note that we need to receive this confirmation prior to any guided dive activities to ensure your safety.

Our multilingual instructors can teach in the following languages: English, Russian, Chinese and Dhivehi.

ENTRY LEVEL DIVING COURSES

Our entry-level PADI Scuba Diving courses are available in English, Russian, Chinese and Dhivehi.

All scuba diving related courses require participants to complete a medical statement, confirming you are fit to dive. If a yes is answered to any of the medical questions, kindly note that a medical certificate stating you are fit to dive is mandatory prior to participating in any scuba diving activities for your safety.

The minimum age for all scuba diving related activities is 8 years old, and divers under 18 must have a parent or guardian sign and complete the relevant forms.

CERTIFIED DIVERS

The Maldives offers an amazing diversity of fish life and coral formations for certified divers to enjoy. With over 40 dive sites available within Noonu Atoll, we have plenty of options enabling you to make the most of your diving experience with us. For a more personalised service, please contact a member of our team for the full range of options available.

DISCOVER SCUBA DIVING

This is the perfect introductory session for those who have never tried scuba diving before. Includes a basic theory session with an instructor, followed by a shallow dive in the lagoon. For those who complete the requirements in the lagoon, we will continue with a dive on one of the spectacular reefs surrounding the island. If you find that you've taken to diving like a 'fish to water', subsequent dives can be arranged. The maximum depth for the first and all subsequent dives is 12 meters.

When? Daily, 09:00 & 14:30

How much? \$210++ (approx. 2.5hrs)

Personalise this experience: Enjoy this experience on a vessel of your choice, with your own private guide and/or marine biologist onboard. Please note that additional fees apply - see boat charter options for more information

PADI SCUBA DIVER

Representing the first internationally recognised diving certification from PADI. The course is split across 3 academic sessions, an associated 3 confined water dives and 2 open water dives. Upon completion of the course you will be issued with a certification that allows you to dive alongside a dive professional to a maximum depth of 12 meters.

Personalise this experience: Enjoy this experience on a vessel of your choice, with your own private guide and/or marine biologist onboard. Please note that additional fees apply - see boat charter options for more information

SCUBA TUNE-UP

Haven't dived for a while? We will get you safely and comfortably back into the water guided by one of our experienced instructors. Includes a short briefing session, refreshing your skills in the water and 1 dive. You will go over scuba skills that you learned during your initial Open Water training. Then, before the dive, you will practice fundamental skills in the lagoon.

When? Daily, 09:00 & 14:30

How much? \$210++

Personalise this experience: Enjoy this experience on a vessel of your choice, with your own private guide and/or marine biologist onboard. Please note that additional fees apply - see boat charter options for more information

PADI OPEN WATER

The Open Water course consists of 5 academic sessions, an associated 5 confined water dives and 4 open water dives, to build the fundamentals of scuba diving. The goal of the dives and academic study is to ensure you learn how to dive in a safe and controlled environment. Upon completion of the course, you will be issued with a certification that allows you to dive to a maximum depth of 18 meters

Personalise this experience: Enjoy this experience on a vessel of your choice, with your own private guide and/or marine biologist onboard. Please note that additional fees apply - see boat charter options for more information

PADI ADVENTURE DIVER

You can choose what you're most interested in learning. Need to work on your buoyancy skills? Try the Peak Performance Buoyancy Adventure Dive. Want to know what you're looking at down there? Try the AWARE - Fish Identification or Underwater Naturalist Adventure Dives. Complete three Adventure Dives (underwater photography, drift dive etc.) and earn the Adventure Diver certification, a subgroup of the PADI Advanced Open Water Diver Course.

When? Daily, Upon Request

How much? \$490++

Personalise this experience: Enjoy this experience on a vessel of your choice, with your own private guide and/or marine biologist onboard. Please note that additional fees apply - see boat charter options for more information

PADI RESCUE DIVER

The PADI Rescue Diver course teaches you techniques to avoid and manage problems and improve your confidence as a diver. During the course you'll become a better buddy by enhancing your ability to identify potential problems and by practicing dive emergency protocol. The subject is serious but the training is fun - many divers tell us the PADI Rescue Diver course was their favourite!

PADI ENRICHED AIR DIVER

Enriched Air, also known as “nitrox”, is a form of breathing gas that allows divers to extend bottom time and reduce nitrogen loading. Scuba diving with enriched air nitrox gives you more no decompression time, especially on repetitive scuba dives. You'll learn why diving with air that has higher oxygen and lower nitrogen content gives you more bottom time, along with enriched air equipment considerations.

When? Daily, Upon Request

How much? \$400++ (2 dives)

Personalise this experience: Enjoy this experience on a vessel of your choice, with your own private guide and/or marine biologist onboard. Please note that additional fees apply - see boat charter options for more information

NIGHT DIVES

Night dives are conducted at various dive sites around Noonu Atoll. This type of diving gives you the opportunity to experience the reef under different conditions – as night falls, an array of nocturnal flora and fauna emerges, transforming the landscape of the reef.
